Welcome to Centralia

A haven bursting with entrepreneurial spirit, historic landmarks, and a business district with an industrial flair. Enjoy one of our tranquil lakes, gather for a picnic in one of our exquisite recreational parks, tour our unique railroad attractions, experience the sixth largest Carillon in the world, visit our eclectic historic downtown shops, indulge yourself on the first stop of the local wine tour and join us in celebrating our city's uniqueness with seasonal festivals and events that attract people of all ages from around the globe. See and enjoy Centralia, your new favorite destination to shop, play, dine, connect and unwind.

History

Reveling in the city's rich railroad history, enjoy many train and railway features throughout the town. Centralia was formed in 1853 by the Illinois Central Railroad, from which it derives its names as the center of the rail system in Illinois, and was incorporated in 1859.
